## **Talent Portals for Employers: create your profile!**

- [Vettery](#): AI tech talent portal (highly recommended by alumni!)
- [Shtudy](#), a free online career placement resource that connects Black, Latinx, and Native American technical job seekers with career opportunities at some of the most diverse and inclusive organizations in America.

If you have any questions, just reach out to Geno Miller (their CEO) at [geno@shtudy.co](mailto:geno@shtudy.co). Lets get working

- **All Hands.** Hi all, with less than 100 days until the election, we need the best and the brightest in technology, data, and paid media to join the movement – and **we've developed a free tool to help you find a job in the progressive space:**

All Hands is a talent matchmaker service for progressives. We handpick engineering, product, data, and paid media roles with our partner organizations in campaigning, advocacy, political tech, and beyond, saving candidates the time of searching for their next opportunity in the progressive space. Where there's mutual interest, we facilitate introductions, and we let hiring organizations take it from there. Think of us as talent matchmakers for democracy.

Are you in engineering, product, data, or paid media and interested in making the switch to the progressive movement, or do you know someone who might be?

**Apply here to join the All Hands talent pool:** <https://all-hands.us>
